STATE OF THE TOWN

March 1, 2013

Dear Saugonian:

I am pleased to report to you that Saugus is moving forward. During the past year under the direction of our new Town Manager Scott Crabtree, our Town has made progress on many fronts.

The Board of Selectmen ordered a complete audit of the Town's finances shortly after the former Town Manager left in January 2012. New financial management policies were adopted by the Board of Selectmen and implemented by the Town Manager. In a letter dated January 17, 2013 the Department of Revenue commended Town officials who took extraordinary steps over the past year to improve the fiduciary position of the community. I am pleased to report that our Town's fiscal condition has been greatly improved.

Investment in our Town's infrastructure continues. The 10 year sewer rehabilitation program is approximately 65% complete, on time and on budget. A new water main line along Route One has been installed. The Lincoln Ave construction project is slated to begin this year from the Lynn line to Ballard St. and from Cliftondale Square to the Revere line. A new accounting and fuel management system is being installed. The Belmont Middle School renovation looks great and is progressing smoothly, on time and on budget.

I am proud to announce a project which is near completion, the 2 mile recreational walking and bike path (rail-trail). Residents continue to express overwhelming enthusiasm and support for our rail-trail. The recreational rail-trail will benefit generations of Saugonians.

In conclusion, the Board of Selectmen have been proud of the accomplishments over the last year and will continue to

Sincerely,

A handwritten signature in dark ink, appearing to read "Michael J. Serino". The signature is written in a cursive, flowing style.

Michael J. Serino

Chairman, Board of Selectmen

make Saugus a great community to live in.

**TOWN OF SAUGUS
COLLECTOR/TREASURER
FISCAL 2012**

The role of the Collector/Treasurer's Office within the Town of Saugus is two fold. The Collector's Office is responsible for the collection of all taxes such as Real Estate, Personal Property, Motor Vehicle Excise, and Boat Excise as well as Water and Sewer user charges. To do this, the Collector's Office issues tax bills and water/sewer bills accordingly:

Real Estate Tax Bills	44,120 annually
Personal Property Tax Bills	2,792 annually
Water/Sewer Bills	19,000 annually
Motor Vehicle Excise Tax Bills	28,500 annually

In addition, during Fiscal 2012 the Town Collector recorded tax takings (liens) on 153 parcels. Tax Title collections were received in the amount of \$964,455.00. Nine (9) parcels were acquired thru foreclosure proceedings.

During Fiscal 2012, the Treasurer's Office is responsible for receiving, recording, and investing approximately \$98m in funds resulting from the collection of taxes, water/sewer charges as well as other various types of fees collected by other Town offices. Those may include but are not limited to state receipts, grants, licensing and permitting fees, filing fees, violations, school lunch receipts, scholarships, or donations. The Treasurer reports all cash received to the Town Accountant who then uses that information in preparation of the Town's operating budget.

The following report outlines the total amount collected during Fiscal 2012 on accounts receivable as well as investment earnings.

Respectfully submitted,

Wendy A. Hatch
Collector/Treasurer

Annual Report 2012
July 1, 2011 — June 30, 2012

The FY12 budget appropriation approved by the Town was significantly below the approved School Committee budget of \$27,278,909. In FY12, the Saugus Public Schools received a budget of \$25,710,250, \$700,000 over its FY11 budget. While receiving a sizable increase from the Town, the school system did not meet its level of service or fixed cost increase of \$1,613,659 to maintain its effort from FY11 to FY12. This left the district with a \$913,659 shortfall as well as an inability to financially address critical education needs above the level of service figure. Critical education needs focus on state and federal mandates and direct services to children. The shortfall created a need to reduce the school budget by \$1.2 million, compromising its effort to meet mandates for children, restore lost services from past sub standard budget years, and address the challenges of the new education reform act. The school department was expected to do the same with less and be responsible for moving the district forward.

The school district is comprised of seven schools and one district administration building. The high school houses 697 students (grades 9-12) and the middle school has 715 students (grades 6-8). The elementary students are spread across four schools (grades K-5 in all except the Veterans which houses one pre-k class for severely challenged students). The elementary schools house 596 students at Veterans Memorial, 292 students at Lynnhurst, 213 students at Oaklandvale, and 227 students at Waybright. There are full-day kindergartens in all of the elementary schools in addition to one split day at the Veterans. In addition to the K-12 schools, an Early Childhood Center at the Ballard School accommodates roughly 100 students in Pre-K 3 & 4. All total, inclusive of out-of-district students the FY12 student population at year end was 2908. Two schools are under new principal leadership at the Oaklandvale and Veterans Memorial. At the district level curriculum and instruction has been enhanced with the inclusion of an Executive Director of Curriculum, Instruction, and Accountability as well as three 6-12 curriculum supervisors for Humanities, Arts and Science, and Math, Technology, and Engineering. Athletics and Wellness Curriculum is supported by the Athletic Director/Wellness Supervisor for K-12.

Starting in FY13, following the approval of the Massachusetts waiver to be exempt from federal NCLB regulations, school districts are now being measured for performance in a different manner. School assistance ratings (1-5) are given based on cumulative PPI (Progress and Performance Index) calculations that takes into account additional student performance criteria beyond ELA and mathematics. While spring 2012 MCAS results continued to reveal steady improvement in targeted areas, most notably in mathematics, the new DESE performance matrices factored in science results as well as student growth percentiles over a 4 year period. Based on the new performance calculations, Belmonte Middle School was categorized as a Level 3 school, performing right at the cut-off line between level 2 and level 3. It is important to note that had DESE continued to measure performance according to NCLB regulations, which does not include science results, Belmonte would likely have remained level 2. All schools except the Belmonte are rated as Level 2. The district overall received a level 3 designation due to Belmonte's categorization as a level 3 school. While this represents a drop from level 2 in FY12, it does not represent an overall decline in student performance across the district. MCAS results continue to show targeted improvement, particularly in mathematics and high school biology. Improvement in English Language Arts flattened and declined slightly at some grade levels. Teachers, school leaders, and the curriculum team analyzed and responded to these results immediately and are taking the appropriate actions to address student achievement K-12.

The FY13 budget did not help matters when the Town appropriation was \$1.8 million dollars below the School Committee approved budget of \$27,417,325, requiring the schools to reduce their budget \$100,000 below the FY12 appropriation, adjusting the school budget from \$25,710,250 to \$25,610,250. Furthering the gap is a shortfall of \$1,807,075 to again sustain effort, restore lost programs, and/or meet state and federal mandates. Further complicating matters, we are required to meet the unfunded state requirement to develop and implement a new teacher and administrator performance evaluation framework, provide aligned professional development and resources to mitigate areas of student performance deficiencies, and prepare for a new computer-based online state testing format under PARCC. These requirements necessitated a restructuring of the curriculum initiative and compliance with the state by creating a curriculum supervisory department for accountability and implementation. Founding a curriculum team K-12 has proved to be highly successful and outcome-based. Coordinated efforts are underway to implement the above despite the lack of available funds.

This year's action steps for the school district focus on implementing the new teacher and administrator framework, morphing the common core into the curriculum frameworks, responding to the TELL Mass Survey measuring professional culture, providing educator training on data assessment, RETELL and WIDA, developing curriculum imbedded performance assessments, and updating educational technology infrastructure in preparation for PARCC. All these initiatives are necessary to comply with state regulations and align to our District Improvement Plan which guides our system. We are already meeting these challenges and responsibilities: a new teacher and administrator evaluation system has been developed and implemented; strategies are in place to address the TELL MASS results; aligned professional development on unpacking educational materials and assessment have been implemented; rigor in the classroom has improved due to our involvement in Mass Insight; science resources in grades 3-5 have been put in place; curriculum map alignment has been continually revisited and improved; new technologies including Google apps for education and Smart Boards continue to impact instruction; actions to improve open response were taken; teachers continue to monitor student performance to improve what we do in the classroom and support the needs of all

students. Teachers and administrators are deliberate in their effort to improve our district and student performance; without their devotion and commitment to go above and beyond what is expected of them, we would not be able to make forward strides.

We are proud to acknowledge the progress on the Belmonte Construction Project and that the repair is progressing on time and on budget for opening in September 2013. Wendy Reed, Chairperson of the School Committee and Belmonte Renovation Committee, continues to keep the project moving and the public aware. She has been at the helm since submission of the 501 (application to MSBA in 2009) and needs to be recognized by the Town for her commitment and guidance. As of January 2013, phase 2 of the project is underway and there is visible and tangible evidence of a fresh and updated facility. In addition to the Belmonte renovation, the NEASC accreditation points to substandard electrical, plumbing, HVAC, ADA, and eye wash stations in need of immediate repair. There is need at the Ballard regarding ADA compliance specific to building access for ADA. Safety issues regarding points of egress at several schools are compromised. Most important, our facilities have been maximized to capacity and pose potential problems for accommodating projected enrollment. The 2012 MA DESE Coordinated Program Review cited the smaller elementary schools as compromised with respect to HIPPA, IDEA, and student confidentiality, needing immediate address.

Now is the time for others to be attentive to the effort of our educators, School Committee, and stand by our accomplishments and advocacy for further Town commitment to our educational system and moving it forward. It is about collaboration, collective support, and finding the means to make education a priority.

ANNUAL REPORT 2012

OUTSTANDING STUDENT AWARD

Christian Mukala from Malden a student in the Drafting and Design program was chosen as Northeast's nominee at the State Awards Dinner for Outstanding Vocational Technical Students. The event is co-sponsored by the Massachusetts Association of Vocational Administrators and the Massachusetts Vocational Association.

NATIONAL TECHNICAL HONOR SOCIETY

The Northeast Chapter of the National Technical Honor Society held its annual Induction Ceremony in March. At the ceremony, 12 seniors and 54 juniors were inducted. These students joined the previously inducted members to bring the Technical Honor Society Chapter to 111 members for the 2011-2012 school year.

NATIONAL HONOR SOCIETY

The Annual Induction Ceremony to the Northeast Chapter of the National Honor Society "Artisans" was held in March. At the ceremony 5 seniors, 15 juniors, and 9 sophomores were inducted for the 2011-2012 school year bringing the total membership to 58.

STUDENT AND PARENT ADVISORY REP TO THE SCHOOL COMMITTEE

Katherine Andrade, a junior from Chelsea was elected as the Student Representative for Racial or Linguistic Minorities to the School Committee for the 2011-12 school year. Nicole Porterfield, a junior from Revere was elected as the Student Representative, and her mother Christina Capodilupo was elected as the Parent Representative for the Community to the School Committee for the 2011-12 school year.

SCHOLARSHIP COMMITTEE

The Northeast Awards and Scholarship Committee and PAC board presented awards and scholarships to 65 deserving students at the annual Senior Recognition Night. A total of \$37,450 was presented to Northeast students who will be working in their vocational fields, entering trade apprentice programs, or going on to one, two, or four-year programs at accredited colleges, universities, and trade schools. These awards and scholarships provide the students the opportunities to purchase tools and equipment, and assist in offsetting the expense of attending institutions of higher education.

PEER MEDIATION PROGRAM

Our Northeast Peer Mediation Center continues to help reduce problems at Northeast. The mediation process is successful in resolving conflicts concerning rumors, threats, name-calling, teasing, harassment, hazing, and physical fights. Northeast has a full-time coordinator and 23 trained junior and senior peer mediators. A trained mediator is a neutral person not involved in the dispute and through the mediation process, helps people come to their own agreement about how they want to resolve their conflict. [2]

PROFESSIONAL DEVELOPMENT

The purpose of professional development is to create an environment that values and supports the ongoing education of all Northeast faculty and staff. District administration, in conjunction with faculty, staff, students, families, and community members, including but not limited to the Student Council, Program Advisory Committee, the Parent Advisory Council, and the Northeast School Committee, contribute to the coordination and evaluation of these activities, aligning available professional development resources with district goals.

Priority was given to professional development activities that address the mandates set forth by the Massachusetts Department of Elementary and Secondary Education and specifically, needs identified by Perkins core indicator data and state assessment data. Plan development priorities include:

Supporting faculty as a community of lifelong learners charged with the awesome responsibility of delivering rigorous and relevant content to a diverse population of students. Coordinating a professional development program that meets the needs of both beginning and veteran teachers and emphasizes expanding educators' knowledge of standards-based curriculum, instruction and assessment. Fostering professional learning communities that facilitate interactive faculty collaboration, thereby encouraging educators to solicit feedback from each other to improve their

practices, as communication, collaboration and cooperation are necessary to sustaining a culture of increased student achievement.

During School Year 2011-2012, professional development initiatives were also supported by the Greater Boston District and School Assistance Center (DSAC). The Massachusetts Department of Elementary and Secondary Education established six regional DSACs to help districts and their schools strategically access and use professional development and targeted assistance to improve instruction and raise achievement for all students. In collaboration with partner organizations, DSACs use a regional approach that leverages the knowledge, skills, and expertise of local educators to address shared needs through an emphasis on expanding district and school capacity for sustained improvement.

2011-2012 Goals:

Provide strategies to foster students' continued learning and achievement;

Increase the technology skill level of the faculty.

Promote the 21st century skills necessary to prepare college and career ready students.

2011-2012 Objectives included:

Continued and enhanced data-driven review and revision of Numeracy and Literacy goals for improving student achievement, including but not limited to annual revision of Northeast's Common Course syllabi, aligned with the Common Core State Standards and career technical frameworks.

Increased access to and training for utilizing interactive technology in the classrooms including but not limited to Apple I-Pad technology and document cameras in the academic and career technical settings.

Trainings supporting faculty with meeting the diverse needs of 21st century learners, including but not limited to development for integrating and supporting students with disabilities and English language learners in the academic and career technical classrooms.

Full staff professional development for ensuring all district employees, students and their families are supported in a safe and nurturing environment.

2011 Summer Transition Program:

Over 200 members of the Class of 2015 participated in the 11th season of the Summer Transition Program staffed by over 30 Northeast academic and career technical faculty and staff. Incoming 9th grade students participated in English Language Arts and Mathematics academic programs daily as well as two career/technical programs per week. English Language Arts programming introduced students to career technical writing assignments as well as writing assignments aligned to their Summer Reading requirements. Students were exposed to the "Writing with Colors" Program to further inform and develop their writing samples. Mathematics curriculum also included project based lessons where students accessed graphing calculators, motion detectors, and surveying equipment to modify and complete assignments. As in the past, an English Immersion Program was also offered to assist English language learners with transitioning from middle school to our career/technical high school. Career/technical areas explored by incoming 9th grade students included: Automotive Technology, Automotive Collision Repair, Cosmetology, Culinary Arts, Design & Visual, Drafting & Design, Graphic Communications, Electrical, & Plumbing.

Funding for this program was provided through Title I, IDEA, and the Carl D. Perkins Occupational Education Act Federal grants.

Summer Enrichment Program:

Approximately 40 enrolled Northeast students from Grades 10, 11, and 12 participated in the

2011 Summer Enrichment Program. This program offers supplemental preparation for the MCAS State assessments. Students were actively engaged in Mathematics, English Language Arts, and Science curricula. A Team Building component also allowed students to enhance cooperative learning and communication skills necessary for negotiating secondary and post-secondary college and/or career experiences.

Funding for this program was provided by the Academic Support Grant sponsored by the Commonwealth of Massachusetts Department of Elementary and Secondary Education.

SUPPORT SERVICES

The Northeast Student Services staff offers support and counseling to all students through individual and group counseling, specialized workshops and presentations, health services, and mediation services. All faculty guidance counselors are certified as School Adjustment Counselors and are qualified to handle a wide range of student issues. One School Adjustment Counselor is bilingual (Spanish-speaking). The School Psychologist provides psychological testing and maintains a small individual and/or group caseload.

The Career Counselor and Career Teacher provide career awareness and career development services to all students. The Career Counselor and Guidance Counselors provide specialized support to students enrolled in non-traditional vocational areas. Two School Nurses provide health services and a Peer Mediation Coordinator implements a Peer Mediation Program. Support groups are established each year based on student needs. Support groups for pregnant and parenting teens, social skills groups for freshmen, anger management groups and non-traditional support groups are examples of groups that have been offered in the past.

The School Adjustment Counselors provide individual counseling support and crisis intervention to all students as needed. They will provide support to homeless students, assessing their special needs and coordinating with the Homeless Liaison (Administrator of Student Services). They also are responsible for developing and monitoring Section 504 Accommodation Plans in conjunction with the Administrator of Student Services. School Adjustment Counselors collaborate with school personnel, family members, doctors, psychiatrists, outside therapists, social workers, police, court personnel, and others.

A specific linkage is established with Riverside Community Care in Wakefield to refer families seeking outside counseling services for their students. In addition, Elliot Community Human Services of Lynn serves as our crisis intervention linkage for emergency mental health services in the community.

The Bilingual School Adjustment Counselor provides native language support (Spanish) as needed to limited English proficient students and families across all grades. She provides specific support to the English Language Education program at Northeast, but supports other Northeast Latino students and families as needed. Translation services (oral and written) and interpreting

services are often required for parent communication throughout the building, and as needed, this counselor coordinates with all departments to assist. Referrals are made to a Spanish-speaking Psychologist for testing for Special Education evaluation.

The School Psychologist supports the counseling staff on a consultation basis and works directly with the Special Education Department to assess all students in need of evaluation. The Psychologist also serves as a consultant to the Administration and to the teaching faculty regarding at-risk students, assists with crisis intervention services and offers individual and/or group counseling and support on an as needed basis.

Career counseling and the college application process are emphasized by all school counselors. The Career Center is the focal area for a well-planned four-year career development program that prepares all Northeast students for their individually chosen career paths. The curriculum focuses on career assessment; career information and requirements; employability and entrepreneurial skills; interviewing skills; portfolios; and resume preparation. By providing assessments to evaluate skills, interests, and work values, the Career Counselor works with the School Adjustment Counselors to assist freshmen in their vocational selection process and upper class students with linkages to post-secondary education and employment opportunities. The Career and Adjustment Counselors provide directed support to those students who are enrolled in career areas that are considered non-traditional for their gender. Students have the opportunity to participate in support groups, specialized presentations, and field trips that prepare them to understand the benefits of non-traditional choices, to manage challenges in each occupation and to understand the required post-secondary linkages to achieve their goals.

The School Nurses have coordinated support services for pregnant and parenting teens with outside providers affiliated with local hospitals. In addition, they provide support to students with chronic medical conditions, coordinating with parents, doctors, nurses, etc. The School Nurses work closely with the School Adjustment Counselors to coordinate assistance when mental health needs arise. They also work closely with the Deans when emergency medical evaluations are required. The Peer Mediation Coordinator at Northeast operates a Peer Mediation Program where upper class students undergo twenty hours of specialized training in mediation skills and implement a program to work out arising conflicts between students. This is a very positive prevention program that contributes to the development of a positive school climate as students learn to come to their own agreements about how to solve conflict.

In addition to the support provided by the counseling staff, the Special Education Department offers a TEAM meeting process that promotes monitoring of student progress and educational support. Each Special Education student is assigned a Liaison who is a teacher in the Special Education Department who oversees progress in relation to the Individual Education Program, communicating with parents, teachers, and counselors to help all students achieve success.

The KICK-OFF Mentoring Program is a freshmen transition program that matches junior and senior mentors with small groups of freshmen students. The KICK-OFF Mentors present the Freshmen Orientation day for freshmen and then meet with their groups throughout the year to offer support and to deliver positive lessons that promote a positive school climate. The mentors are trained in a leadership climate by the student services staff, developing a core of approximately 140 peer leaders from 11th and 12th grades.

The After School Enrichment and Tutoring Program is a program of educational assistance to students having difficulty with one or more academic subjects. Students who have been successful in specific subject areas and who have participated in training, volunteer their time to assist others in the library one afternoon per week. The tutoring program is designed to supplement after school assistance provided by the academic and vocational teachers. The program benefits go beyond the student achievement as the relationships formed by the tutors and students help to break down barriers between different grade and age groups and develop friendships that would not have had a chance to form. Academic and vocational teachers offer support and assistance to the Enrichment Program.

Special school-wide workshops and presentations are offered through the year for different groups of students. Each year, all freshmen participate in group workshops focusing on harassment and bullying and gender equity issues. Large group assemblies and presentations have been offered focusing on goal setting and acts of kindness, substance abuse, teen dating issues, tolerance, character building, and others.

On a larger scale, the student service emphasis is on communication – communication with students and with parents. Mid-term progress reports are sent to parents each quarter and report cards are sent home four times per year. E-mail communication is welcomed and progress update meetings are held as needed. Parents are asked to be involved with all class scheduling activities.

Post-graduate planning information is shared through career assessment and planning activities. Career Plans are sent home annually for parent review. Language development is communicated for limited-English proficient students through assessment data and parent meetings. It is our goal to service all students equitably while attending specifically to those who have specific life challenges.

GRANTS RECEIVED IN FY 2012:

Entitlement and Allocation Grants

Title II, Part A: Improving Educator Quality, Fund Code: 140

The purpose of this federal grant program is to increase student achievement through comprehensive district initiatives that focus on the preparation, training, recruitment, and retention of highly qualified educators. These initiatives should be aligned with Massachusetts' reform efforts and should help districts meet the NCLB goals and requirements for highly qualified teachers, instructional paraprofessionals in Title I targeted assistance and school wide programs, and high-quality professional development. The goal is to improve the overall quality of all educators, including administrators, within the district.

Federal Special Education Entitlement, Fund Code: 240

The purpose of this federal entitlement grant program is to provide funds to ensure that eligible students with disabilities receive a free and appropriate public education that includes special education and related services designed to meet their individual needs. The priority is to serve eligible students with special education services and activities deemed essential for student success in school. Services and activities must ensure compliance with state special education laws and regulations and the Individuals with Disabilities Education Act - 2004 (IDEA-2004).

Special Education: Program Improvement Grant Fund Code: 274

The purpose of this federal grant program is to fund professional development activities that will improve the skills and capacity of educators to meet the diverse needs of students with disabilities and to promote inclusive practices across all settings. The priorities of this grant program are designed to advance the knowledge and skills of educators working with students with disabilities through high-quality, job-embedded, and sustained professional development activities.

Title I, Part A, Fund Code: 305:

Title I, as reauthorized under the No Child Left Behind Act of 2001, provides resources to local school districts to assist low achieving students in high poverty schools to meet the state's challenging academic standards. Funds may be used to provide academic, instructional, and support services for eligible students, professional development activities for staff, support for parent involvement activities, and the purchase of appropriate supplies and materials. The priorities of Title I are to strengthen the core programs in schools and provide academic and/or support services to low achieving students at the preschool, elementary, middle, and high school levels in support of NCLB goals; provide programs based on scientifically-based research that enable participating students to achieve the learning standards of the state curriculum frameworks; elevate significantly the quality of instruction by providing staff with substantial opportunities for professional development; and involve parents in the development of and participation in the program, activities, and procedures for parents and students to improve student achievement. Northeast maintains a School-Wide Title 1 designation.

Perkins Act Allocation Grant Program – Secondary, Fund Code: 400

The purpose of this federal grant program is to assist school districts in improving secondary programs that meet the definition of career and technical education under the Carl D. Perkins Career and Technical Education Improvement Act of 2006 P.L.109-270 (Perkins IV). Perkins IV allocation funds must be used in accordance with Perkins IV and the Massachusetts Perkins IV Manual. Required and permissive allocation fund uses are identified in the Manual. A portion of allocation funds must be used for professional development.

Academic Support Services Allocation Grant (Summer), Fund Code: 625

The goal of this state-funded grant program is to enhance academic support services needed to meet the Competency Determination required for high school graduation for students in the Classes of 2003-2014 who have performed in the Level 1: Warning/Failing (Scaled Score = Less than 220) or Level 2: Needs Improvement (Scaled Score = 220-238) categories on their most recent English language arts and/or mathematics MCAS or re-tests. Summer programs may also serve students in the Class of 2015 transitioning into high school that has scored at Levels 1 and/or 2 on their most recent English language arts and/or mathematics MCAS. These services are to supplement currently funded local, state, and federal programs.

Summer Academic Support Enhancement Grant, Fund Code: 625-B

The purpose of this state-funded supplementary summer program is to enhance academic support in English language arts (ELA), mathematics, and science and technology/engineering for students in the classes of 2003-2014 who are participating in MCAS Academic Support programs, in order to help these students meet the Competency Determination for a high school diploma. Programs will develop and pilot replicable models through Professional Learning Communities and/or additional, increased, or enhanced services. These services are to supplement currently funded local, state, and federal programs.

District and School Assistance Grant – (DSAC) Fund Codes: 323-B-220-E-143

The purpose of this grant program is to support improvement in Level 3 and Level 4 districts through participation in regionally-based professional development and assistance initiatives associated with the District and School Assistance Centers (DSACs). DSAC regional assistance is designed to enhance the capacity to plan, implement, and sustain practices to improve student performance and is aligned with the Massachusetts District Accountability and Assistance Framework. Grant funds will provide support to districts for expenses for staff to participate in the Department of Elementary and Secondary Education (Department) approved professional development courses and/or to access other school and district improvement assistance offered through or approved by the DSACs.

Funding is allocated through federal Title I School Improvement funds, federal Title II-A Improving Teacher Quality funds, and state Targeted Assistance funds. Fund use must be consistent with the priorities described above and requirements associated with the following funding sources:

Title I School Improvement Funds (Fund Code 323-B): must be used to support improvement initiatives in Title I schools in federal No Child Left Behind accountability status (in improvement, corrective action, and/or restructuring).

Title II-A Improving Teacher Quality (Fund Code 143): may be used to support priority strategic professional development and assistance initiatives designed to raise performance in the eligible districts and any of their schools.

State Targeted Assistance Funds (Fund Code 220-E): may be used to support priority strategic professional development and assistance initiatives designed to raise performance in eligible districts and any of their schools.

In addition, the District received a School Year 2012 District and School Assistance Follow-Up Grant. This funding complemented FY 11 DSAC funding for professional development activities that concluded Fall 2011 (Fund Code 323-C).

SUMMER PROGRAMS

Northeast Metro Tech Summer Programs enjoyed another successful campaign since its inception in 1988. Over the years, both the Summer School and Computer Program have experienced remarkable growth. This year the summer programs serviced approximately 300 students combined.

The Northeast Summer School serviced high school students in six different academic areas including Math, Science, English, Social Studies, Language, and Vocational Related. The goals of promoting a positive learning atmosphere, retention, and promotion, as well as providing skills to assist each student at the next grade level are paramount objectives behind the philosophical make-up of our summer school.

Our summer program also continued to with its certification program in Basic Welding. This program was not only extremely successful, but gives both students and adults an opportunity to explore and begin new careers.

The popular Northeast Summer Computer Program completed a successful 24th year. Its objective of making learning fun had the counselors teach the participants skills that they can use during

their school year while enjoying doing it. These programs can help strengthen reading and math skills, and expand their general knowledge of the computer. Outstanding PowerPoint presentations and the Movie Maker software application were an exciting part of this year's computer program classes, along with swimming and diving instruction.

COMMUNITY EDUCATION PROGRAM

The Community Education Program is a broad base collaborative community initiative assisting learners of all kinds complete their education and achieve economic self-sufficiency through empowerment skills, health care, support services and meaningful employment.

Our vision is to deliver educational experience in a positive environment that will enable Northeast to reach new heights together with our lifelong learning community. The focus of the Community Education Program is to offer programs that meet the demands of our learning populations. In doing this, we give people the opportunity to improve employment skills, fulfill lifelong goals, or enrich their lives with social activities. With the most qualified instructors, and state of the art labs Northeast strives to maintain the highest standards of education. During the summer of 2012 continued emphasis was placed on technology upgrades such as brochure modification, new state of the art web site construction, and the introduction of new programs.

2012 GRADUATES

The 2011-12 school year represents the thirty-ninth class to matriculate at Northeast Metropolitan Regional Vocational School. Northeast graduated 282 students in the class of 2012. Breakdown of graduates' status after graduation is as follows:

Attending 4 year college 77 *	Employed 104
Attending 2 year college 80 *	Entering Military Service 12
Apprentice school 9 *	

* It should be noted that 59% of the graduating class went on to further their education either in a two or four year college or in an apprentice program. 282 members of the graduating class either entered military service, are employed, or seeking further education. That figure represents 100% of the class of 2012.

SPECIAL NEEDS ENROLLMENT

Special Needs enrollment for the 2011-12 school year continued to represent a fair share of the total school enrollment with students. The 313 Special Needs students represent 25% of the school population.

DISTRICT SCHOOL COMMITTEE ELECTION OF OFFICERS

At the Annual Organizational Meeting of the District School Committee on January 13, 2011 the following members were re-elected Officers of the Northeast District School Committee:

- Chairman Michael T. Wall, of Chelsea
- Vice Chairman Henry S. Hooton, of Melrose
- Secretary Peter A. Rossetti, Jr. of Saugus
- Treasurer Larry Means, of Stoneham
- Assoc. Treasurer Vincent J. Carisella, of Wakefield

Mr. John X. Crowley, Superintendent-Director of Northeast retired in August of 2012. His 39 years of service to Northeast's faculty, students, and community is thankfully appreciated.

Theodore Nickole has been selected as the new Superintendent-Director and David DiBarri has been selected as the Deputy Director-Principal.

We wish them great success in new endeavors!

CONCLUSION

As Northeast celebrates its forty-second year of career/technical excellence with its twelve member communities, the district continues to offer students the finest career technical education with which to build a successful career. The District supports curriculum and both academic and career technical classrooms with the latest equipment and technology. Evidence of our past success is reflected in the students that have graduated from Northeast Metro Tech. Recent graduate follow up data indicates that 96% of students from the Class of 2011 were positively placed in relevant post-secondary areas. In fact, Northeast currently employs 29 alumni at the school, including the Director-Principal, and Dean of Students. Alumni's stories of success and their readiness and willingness to help their alma mater by as recruiting graduates for cooperative education experiences or employment is proof of their dedication to Northeast. Testimonials as to the success of our graduates continue to be received which makes us proud to have contributed in some small way to their accomplishments

The Northeast Class of 2012 achieved a 99% pass rate on the MCAS assessments. Northeast continues to offer school day MCAS Enrichment Classes and after school enrichment programs for those students in need of additional preparation for the MCAS. Northeast also offers a well-attended Summer Transition Program for incoming freshmen and as a Summer Enrichment Program for enrolled at risk students preparing for the MCAS state assessments.

The Career Center facilitates student access to technology to further learn business aspects of their industries, develop career plans, resumes, and comprehensive portfolios, and prepare college and other post-secondary documents with the assistance of our faculty including Career and Adjustment Counselors.

Northeast continues to provide students the finest career technical education with which to build a positive and productive post-secondary experience, be it college or career, offering experiences with the latest equipment and technology in both the career technical and academic programs.

Once again, I am proud to have represented Saugus as a member of the Northeast Metropolitan Regional Vocational District School Committee. I will continue to serve as the guardian of funds allocated from the community to this educational institution and assist in and provide counsel to the school in maintaining the highest standards of educational excellence possible.

Respectfully submitted,
Peter A. Rossetti, Jr., Secretary
Northeast School Committee
Saugus Representative

Joanne D. Rappa, Town Clerk

Marianne Moses, Assistant Town Clerk

Patricia Flickinger, Election Coordinator

CLERK'S DEPARTMENT

The Town Clerk's Office serves the residents and visitors alike as a central point of information to local government and services. It is the intent of the Office of the Town Clerk to be a provider of quality services and information to the community, its residents and visitors. This office works in cooperation with all departments, boards, committees and commissions and complies with all state and local statutes.

The Town Clerk is the official recording secretary of Town Meeting and considered the "keeper of the records". In this capacity this office files minutes of various boards and commissions of the Town, maintains and issues certified copies of all vital records, maintains the official Bylaws and Town Charter, appointments and resignations of all Town officials as well as maintains Town census information, issues marriage licenses, dog licenses, boat ramp passes, business certificates and renewals, fuel storage permits, raffle/bazaar permits, and certified copies of Board of Appeals, Board of Selectmen and Planning Board decisions. This office also collected fees for violations issued by the Board of Health, Police Department, Zoning and Conservation Departments, as well as the billing and collection of fees for all pole and conduit locations within the town and maintained these files.

- **CONFLICT OF INTEREST LAW**

The Town Clerk has the responsibility of complying with MGL Chapter 28 acts of 2009, which mandates that the Town Clerk is required to maintain records, assuring that every municipal employee receives an updated copy of the Conflict of Interest Law Summary,

MGL Chapter 268A, on an annual basis and completes the online training program every two years. Upon completion of the training program, the employee shall provide notice of such completion to be retained for 6 years by the Town Clerk. As a result of this requirement, the Town Clerk recorded that approximately 980 employees and 230 members of Boards or Commissions had been notified of the mandate and receipts were recorded of those in compliance.

- TOWN MEETINGS

Town Meeting warrants are posted at each polling location, mailed directly to Town Meeting Members, Finance Committee Members, Town Counsel and members of various boards and commissions.

Special Town Meeting Dates:

October 3, 2011

November 14, 2011

June 25, 2012

Annual Town Meeting Dates:

May 7, 2012 (1st Session)

May 21, 2012 (2nd Session)

June 4, 2012 (3rd Session)

June 11, 2012 (4th Session)

June 18, 2012 (5th Session)

June 25, 2012 (6th Session)

Warrants and minutes of all Town Meetings may be viewed on the Town of Saugus website and in the Clerk's Office.

ELECTIONS and REGISTRATION

The Elections Department held two elections in FY '12.

- FY 2012 Election Dates:

November 8, 2011 – Local Election

March 6, 2012 – Presidential Primary Election

Along with the busy election calendar came the normal operating procedures for each election, which included, but was not limited to, posting warrants, late night voter registrations, providing and certifying nomination papers and petitions for ballot questions, ordering and proof reading ballots, mailing out all absentee ballots,

conducting absentee voting in the office, scheduling poll workers, coding, programming and testing election equipment which includes the Accu-Vote terminals as well as the AutoMark voting assist terminals, certifying and reporting election results, and at the local level, determining ballot positions by random drawing.

Along with very close election results in the School Committee race held on November 8, 2011, a recount was held on December 1, 2011 in the Town Hall Auditorium, which ultimately did not change the results of the election.

- **BOARD OF REGISTRARS**

Gary Butt, Chairman (Republican)
Marcia A. Pollack (Democrat)
Rita VanSteensburg (Republican)
Joanne D. Rappa (Democrat)

The Board of Registrars met several times during the year to review election laws and procedures, and made themselves available at all late night voter registration sessions as well as on Election Days.

- **CENSUS**

Approximately 13,830 Town Census were mailed to Saugus households the first week of January, 2012 and data for returned forms was recorded in the State VRIS (Voter Registration Information System).

Additionally, the staff of the Clerk's office worked meticulously to maintain the census figures by comparing records with information provided to this office by various departments as well as our own licenses and vital records information.

The Town Clerk's Office recorded the following Vital Statistics for fiscal year 2012
Two prior years are also listed for comparison purposes only.

Conservation Commission Annual Report 2012

The Saugus Conservation Commission conducts business under Massachusetts General Laws, Chapter 131, Section 40 and under Town of Saugus Bylaw Article 508. The Commission saw significant activity during FY12.

The Conservation Commission held 13 public meetings during the past Fiscal Year. At these meetings there were 14 Public Hearings, most of which were continued for at least one meeting and in some cases several months of hearings. The Commission heard several requests for a Determination of Applicability, which were deemed negative and did not require a further filing. The Commission placed restrictions on work as necessary. There were many requests for modifications to previously issued Orders of Conditions, which were found to be non-significant and required no additional action to be taken. The Commission issued several Orders of Conditions, and Certificates of Compliance upon completion of work. There were problems or projects.

Violations of the Wetlands Protection Act and Town of Saugus Wetlands Bylaw continue to occur in town. The Conservation Officer went on numerous site visits, some of which were for building permits and which were fill permits and several as a result of complaints. It was necessary for the Conservation Officer to address conservation violations by letter and issue Enforcement Orders in several instances, as well as investigating and issuing Emergency Certifications. The Conservation Officer attended multiple meetings regarding conservation issues, both in the office and at Town Hall and other locations. He responded to large number of phone calls for information requests and problems in conservation areas. The new Flood Plain maps issued by the federal government took a massive amount of time on phone calls as well as visits to this office.

The Commission made several site visits as a group along with applicants and their engineering firms or representatives. Numerous site visits were also made individually by members of the Commission.

The Conservation Officer has continued to spend substantial time working with Georganna Keer, Division of Ecological Restoration, Mass. Dept. of Fish and Game, as well as town officials and federal and state agencies. The work toward rebuilding the Tide Gate has been active since 1996.

The Conservation Officer has had several meetings with Massachusetts Department of Environmental Protection officials as well as state, local DPW and federal officials to address Conservation issues. The Conservation Officer, along with some members of the Commission attended MACC Conferences.

The Commission mourned the loss of member C. Fred Gill this past year. A list of duly sworn officers and current members follows:

Albert D. Trifone, Jr. – Chairman, Joan Fowler – Vice Chair, Francis G. McKinnon – Conservation Officer, Earle Bertrand, William Snowdon, Jr. and Paul Petkewich

COMMENTS

This year, unfortunately \$40,000.00 was taken from our budget from the Town, which consists of salaries only. Three employees salaries were eliminated from the Town payroll and had to be paid out of a Revolving Account that consists of funds raised by activities and is used to pay for expenses throughout the year, such as office supplies, cable, building maintenance, instructors, etc. We were fortunate that we were able to keep our doors open and keep our existing staff through another year. This year activities and events were held with the help of sponsors, such as nursing homes and health care agencies and fundraising.

Thanks to the Friends of the Saugus Senior Center we were fortunate enough to receive a new 14 passenger van that was partially funded through a State Grant. The Friends of the Saugus Senior Center paid 20% of the cost of the van. This van allows us to transport Saugus seniors to and from our Center for lunch, activities, food shopping and drug stores for prescriptions. Our transportation program is a very crucial part of our daily services to our Saugus seniors. Our medical van is on the road, driving our seniors to their chemo, radiation and medical appointments throughout the day.

Again, in 2012, our Lunch Program held its own, with Lindley Catering Service delivering meals to our Center each day, and Meals on Wheels are delivered from our Center to Saugus seniors, on a daily basis.

This year we were excited about receiving a grant through Greater Lynn Senior Services. This grant allowed us to purchase exercise equipment and a flat screen T.V. to start an exercise room for our seniors. Already we have 30 members that use this equipment on a daily basis.

It is my great hope that all salaries will be included in the Town Budget for FY2014.

SAUGUS CULTURAL COUNCIL ANNUAL REPORT

The Saugus Cultural Council convened its annual voting meeting on Tuesday November 28, 2012 to award the Cultural Council Grants for 2013.

The committee received a total of 32 applications and they represented programs for people of all ages and various segments of **the arts**. The committee was **able** to fully fund a program at each of the elementary schools, 2 children's programs at **the library**, 5 individual artists as well as 1 program for the senior citizens. It was the mission of the Committee to support the varied groups within the Town of Saugus.

The **approved applications represent support for the arts, humanities and/or interpretive sciences** and the committee felt the programs funded were the ones that would offer the greatest public benefit.

The committee looks forward to the work of the 2014 grant cycle and continues to remain committed to funding programs that have clarity of purpose, encourage community involvement and contribute to the cultural vitality of Saugus.

INTRODUCTION

It was a very busy year for the Department as well as a challenging one as the decline in the economy has affected the public sector as well. Level funded budgets are now a regular occurrence at the Annual Town Meeting. As the Department tries to maintain the quality of services it provides to its citizens there is very little room to make improvements, or move ahead, with any additional requests or improvement projects.

The Department of Public Works is a service organization responsible for providing essential public works infrastructure support services for the citizens of Saugus. Services provided by this department include, but is not limited to: engineering design, construction, maintenance and repair of streets, sidewalks, snow plowing and ice control. Cutting of grass, maintenance and repair of all water lines, sewer lines, storm drains. Maintenance and repair to all DPW vehicles and equipment, and also Town Hall vehicles. Maintenance of parks, playgrounds, athletic fields, Administration of construction contracts, review of subdivision projects, manage all public shade trees for pruning, planting and/or removal. Repair and maintenance of town owned streetlights and traffic signals.

ADMINISTRATION TEAM

Located at 515 Main Street at the DPW office is the administration team that is critical to the daily functions of the Department of Public Works. Kristin Politano, and Donna Brady are responsible for the administration support of the Director of Public Works. They also provide administrative services to all Departments. Both Kristin and Donna deal directly with all public inquiries and complaints regarding all operations of the Department such as street lighting, potholes and tree problems, schedules, snow and ice problems, drainage issues, water and sewer problems etc. while maintaining employee payroll and department budget/ billing records. All invoice payments, requisitions and purchase orders are also facilitated by the administrative staff.

HIGHWAY:

The Highway Department of the DPW provides for the maintenance of all town roads, sidewalks, municipal and school parking lots, fencing and guard rails. In addition to the normal surface repair of roads and sidewalks, the Highway Department is responsible for the clearing of snow, sand, litter and other unwanted debris from public ways and facilities. It also maintains our brooks and streams, with assistance from the sewer department by keeping them clear of debris to prevent public and private property flooding. The Department has more than 130 miles (260+ lanes miles) of roads and many sidewalks that it must maintain. This past year the DPW continued to make immediate repairs to roadways and sidewalks, in an effort to preserve their surface integrity for the safety of the public. Recent cutbacks in staffing and funding made it difficult to keep up

with the much needed repairs throughout town. This year DPW cleaned total of (950) catch basins throughout the town. This has helped in preventing street flooding caused by clogged drain lines. The DPW continued its program to repair damaged manholes and catch basins throughout town. We were able to repair over (21) collapsed catch basins and manholes.

Streets resurfaced with Chapter 90 funds:

Chestnut Street
Ledgewood Road
Lodge Ave
Oaklandvale Ave
Tuttle Lane

Streets resurfaced under the local pipeline assistance program, after the installation of new water mains the previous year:

Prospect Street
Pleasant Street
Castle Street
Emory Court
Emory Street

The handicap ramp project bid # 16-11 for Essex St, Lincoln Ave and various other locations has been completed.

Streets to be submitted to the next annual town meeting for acceptance are:

Applewood Lane
Maraia Lane
Birch Pond Drive
Pamela Road
Carr Road
Stockade Road
Zamora Street

PARKS DEPARTMENT:

This department maintains (9) nine parks and playgrounds. Derek Donachie the foreman works closely with the school athletic department to make sure all fields are painted and lined out for the games. The trash is picked up at these areas twice a week, on Monday and Friday. Cutting of all grass, weed whacking and general maintenance is done. Due to the limited amount of personnel, it is a constant battle to maintain the parks and repair the

playground equipment in tot lot areas. Personnel from other departments are utilized to help with work when available.

FORESTRY DEPARTMENT:

Tim Wendell, the foreman of the department, does a great job to maintain all town trees. Heavy windstorms have caused damage to many trees. When extra help is needed other departments are called upon to support them in clearing debris from roadways, and storm damaged trees. Tim Wendell and Mike Dockery also hang any banners that need to be installed. They also assist in hanging of the Christmas decorations in town. The department also works with the Tree Committee when needed. Many trees have been cut back and taken down by the Forestry Department.

ENGINEERING DEPARTMENT:

The engineering firm CDM Smith is monitoring the sewer system related work for the DEP consent order. The firm Engineering Alliance is responsible for assisting the town for the procurement of services on all handicap ramp projects. Weston & Sampson Engineering is currently reviewing plans on the Route 1 sewer substation that will be constructed by the Wal-Mart Development Group.

Jim Sotiros works at the DPW engineering office on Wednesdays to assist the public with any questions or inquiries about plans throughout town.

MOTOR VEHICLE MAINTENANCE:

This is a one man department, staffed by Seth Hatch. Seth does a great job by keeping all DPW equipment operational. He also maintains and repairs other town vehicles from other departments. Seth is also a great asset to the town in the procurement of vehicles and works well with the purchasing assistant.

WATER DEPARTMENT:

Charles McLaughlin, the foreman, is responsible for the maintenance and repair of the water distribution system. The department repairs water main leaks, services, replaces and repairs hydrants and valves within the system. Staff also coordinates water main shutdowns and mark-outs for all contractors and utility companies working in Saugus. Routine bacteria samples are taken at (8) eight different locations in town on a weekly basis. The department also does lead and copper sampling once a year at 15 homes and 2 schools. The sampling has changed from twice per year to once per year due to good results. During fiscal year 2012, the Town replaced 765 l.f. of 8" D.I. pipe, 2 hydrants and 21 new service lines on Allison Road and Granite Road, through the Local Pipeline Assistance Program. (MWRA)

The Route 1 water main projects are completed. Route 1 Northbound and Route 1 Southbound were ongoing through FY2012 and well into FY2013. All piping has been installed to date, and the old pipe that would break on Route 1 Northbound has been taken out of service. The new 12 inch water line is also complete and is in service. This new line was installed from Route 1 north in the area of The Shops of Saugus, to the Suntaug Estates at the Lynnfield line. The work was completed jointly with the MWRA. The new 12 inch line will supply areas of North Saugus with adequate water for fire fighting and domestic use.

47 water main breaks were repaired in FY2012. All repairs were made by DPW staff. 14 fire hydrants have been replaced, as well as numerous repairs to hydrants.

The annual leak detection program located (8) eight leaks. The estimate of leakage was 165,000 GPD. All of the leaks were repaired by DPW staff. The locations were:

23 Milano Drive
28 Indian Rock Drive
29 Old County Road
14 Clifton Ave

48 Dewey Street
Central St @ Birchwood Ave
63 Bow Street
31 Aberdeen Ave

SEWER DEPARTMENT:

Tom DiNocco is the foreman of this department. He is responsible for the daily operations and maintenance of the town sewer system. A routine flushing of sewer mains are done on a monthly basis at identified trouble spots. The men in this department respond to resident complaints on various sewer related issues. Ten (10) sewer pumping stations are checked and maintained daily. They repair sewer backups in homes and main line pipes. Daily flow readings and maintenance at the main sewer pumping station on Lincoln Ave are completed. The men in this department also assist the Water department and Highway department with catch basin, brook issues and water system repairs.

The comprehensive sewer system rehabilitation is ongoing. Work completed in FY2012 is as follows:

2012 ANNUAL REPORT

The Saugus Emergency Management Agency is a volunteer organization that is required by law. During declared emergencies the Emergency Management Agency is the Town's contact point with state and federal agencies if their assistance is required for manpower, materials, or equipment.

MISSION STATEMENT

The mission of the Saugus Emergency Management Agency is to provide for the Common defense and to protect the public peace, health, security, and safety, and to preserve the lives and property of the people of the Town of Saugus.

During the time of January 1, 2012 to January 30, 2013 the volunteers logged in over 8,532 man hours. Many of those hours were logged in the continuing remodeling and painting of the old Central Fire Station which now houses Emergency Management as well as our E.O.C.

Volunteers also assisted Town agencies with many tasks including helping with road blockage and flares, assisting the Fire Department with cellar pumping and also assisting the Police Lighting.

Members also logged in countless hours of their own time attending training. CPR and Defibrillator Training This included the new mobile Command Post which was built

completely by the members; installing radios and various equipment. This unit is available to all town agencies if needed.

We also assisted at Breakheart Reservation with lighting for there annual Fall Festival also assisted by supplying power for the event with various generator vehicles along with the Command Post.

Members worked around the clock in Fall months (November and December due to severe flooding caused by a major rainstorm. They responded to over 60 calls for flooded homes throughout the town.

Training continues for all members through Homeland Security Grants obtained. These include Incident Command, WMD Radiation Detection, Incident Bombing and Mass Sheltering Training also is obtained through MEMA Headquarters which offers classes each month.

Members put in countless hours building a Shelter Trailer for our Town this trailer was obtained through a Grant at no cost to the Town all of our Shelter Equipment has been placed in this trailer and can be very easily brought to any of our four certified Shelters in Town

An outstanding effort by the unit was put into installing the Christmas Lights for the annual Tree Lighting ceremony, which was a huge success.

I would like to thank all those volunteers who unselfishly give of their time and efforts to support the citizens and the Town of Saugus.

The Fire Department has been **awarded** the SAFE (Student Awareness of Fire Education) grant in the amount of \$5265.

Recipient of Federal funds for a community regional grant awarded by the Assistance to Firefighters Grant (AFG) for mobile terminal data equipment. Saugus share \$80,000

SPECIAL AWARDS:

"FIREFIGHTER OF THE YEAR"

Captain Thomas Nolan and Lieutenant James Hughes were honored with a Medal of Valor at Mechanics Hall, Worcester for their heroic actions in rescues performed both off duty and in the line of duty. Both rescues from the Saugus River.

Executive Officer Summary 2012

This year was an exciting year for the administrative team at the Saugus Fire Department. Donald McQuaid was welcomed as the new Chief of the Department. Also, Thomas Kaminski was promoted to Captain as a fire inspector and code enforcement officer. The new members of the administrative team hit the ground running. Chief McQuaid oversaw the SAFER Grant application through FEMA. Captain Kaminski ran the fire department open house for fire awareness month in October. Captain Kaminski also received the same training that I have, Basic Fire Investigation. This 150 hour course has trained Captain Kaminski to recognize the tell-tale signs of arson, and how to initiate contact to the State Fire Marshall's office to investigate cause & origin of every fire in Saugus. This is a requirement of M.G.L 148. The chief of the fire department is obligated to identify a cause of every fire in his/her jurisdiction.

The Junior High School has been one of the major projects that have been dealt with. In conjunction with Kerry Robbins, the Belmonte Principal, a safety plan and four fire drills have been conducted thus far since school started in September. The initial layout of the building led to fire drill times that needed to be improved upon. Working with Kerry and the job engineer, Brian Fogerty, we came up a new exit door arrangement and safety plan that cut over a minute off of the initial fire drill. This building is under constant supervision by paid fire department details every day that school is in session. As an inspection team, the school is visited 2-3 times per week to ensure student safety.

In September, the fire department received a letter from the Board of Selectman in regards to double utility poles requiring the municipal fire alarm wire to be transferred over. The project involved has proven to be a difficult task to finish correctly. When I assumed the position of Executive Officer, the municipal fire alarm conversion was already in motion for 6 years. The Town of Saugus has stopped relying on the hard wired fire alarm system incrementally since 2006. The new system, a radio master box system consisted of 133 master boxes. Of the 133 boxes 15 were installed in town owned buildings. This system was designed to transfer the costs associated with the hard wired system from the town to the property owners. Since I took this task on, we have eliminated all but one hard-wired master box, and we plan as a team to eliminate the need for all hard-wired alarms in the near future.

There are several major construction jobs that have been approved by the fire department in conjunction with Inspectional Services. The Walmart project has been approved by the fire department, with the caveat that the proper water flow out of all hydrants be sufficient to fight any fire in such a large structure. National Tire and Battery has been approved in conjunction with the planning board to allay any fears over apparatus placement in the Home Depot parking lot. Nevron Plastics has started construction on a new facility, with state of the art fire protection, in the near future. These new businesses will be an asset to the town and expand the tax base accordingly. The former Eastern Stamp and Tool building has been purchased by Iglesia Evangelical Bete. This property has needed many major upgrades in order to be properly occupied. The buildings utilities were shut down and all fire protection services were rendered

useless. The fire prevention bureau has worked in conjunction with Inspectional Services to make sure the building is properly protected prior to legal occupancy.

The fire prevention bureau has worked in conjunction with the Attorney General's office in the gentrification process in Saugus. Among the major projects were 27 Wendell Street, this home was in such disrepair that it was ordered razed. Also, the "Chicken Coop" property on Fairview Street was also razed as well. This group effort could not have been accomplished without the Attorney General and the Health Inspector.

Respectfully submitted,
Captain Michael Newbury

Executive Officer
Saugus Fire Department

FIRE PREVENTION

The mission statement of Fire Prevention Bureau is to protect life and property in the Town of Saugus by performing inspections, enforcing state and local fire codes and fire prevention education.

Duties performed by Fire Prevention include:

All public and private schools including day care establishments are inspected prior to the beginning of the school year.

Fire drills are conducted in all schools as required by state law.

Nursing homes are inspected quarterly as required by state law.

Any establishment requiring an occupancy permit from the town is inspected at least annually. Such establishments include hotels and residential mental health facilities of which there are approximately 20 currently operating in Saugus.

All commercial construction plans are reviewed and stamped by Fire Prevention to ensure proper placement of smoke, heat and carbon monoxide detectors, emergency lighting, exit signs, fire extinguishers and sprinkler systems. A follow up inspection is then conducted before an occupancy permit is issued.

All residential construction plans are reviewed by Fire Prevention to ensure proper placement of alarm initiating devices. This is a revenue generating activity.

When a home is sold or remortgaged, Fire Prevention conducts an inspection to ensure proper placement and function of smoke and carbon monoxide detectors. The certificate issued by the Department is a required document at closing. This is a revenue generating activity. The requirements regarding detector specifications and placement were recently incorporated into a guideline available to homeowners and real estate agents to eliminate what was formerly a frequent source of confusion. The Town's house numbering by-law is enforced at the smoke detector inspection.

Fire Prevention conducts site plan reviews of all proposed new homes and subdivisions and provides their findings and recommendations to the appropriate boards.

Fire Prevention must inspect all propane tank installations. Underground propane tanks must be anchored to a concrete pad and inspected prior to backfilling.

Fire Prevention issues permits for the retail sale of charged propane tanks.

Fire Prevention issues permits for the storage of flammable fluids and gases.

Fire Prevention inspects and issues permits for all oil trucks based in Saugus and trucks carrying portable fuel dispensing equipment.

Per state code, Fire Prevention must grant a permit and witness the removal of all underground storage tanks and inspect for soil contamination and order clean-up if necessary.

A permit to install or alter fuel oil burning equipment must be obtained from Fire Prevention and an inspection is performed following completion of the work.

All wood, pellet and gas heating stoves are inspected for installation according to the manufacturer's specifications. This is a revenue generating activity.

All blasting in Saugus requires a permit issued by the Fire Department. The Fire Department conducts a site visit and reviews blasting plans to ensure that local and state codes are adhered to. A detail firefighter is stationed at the blast site to witness the blast and record seismograph readings. All complaints regarding blasting are investigated by Fire Prevention.

Fire Prevention updates a list of vacant buildings in town as these structures present a greater than average threat to firefighting personnel.

With the passage of Chapter 304 of the Acts of 2004, Fire Prevention must inspect all establishments that "serve liquor on premises" before liquor licenses can be renewed. This includes all nightclubs and many restaurants in town.

When work or testing is conducted at any facility in town with a radio box alarm, Fire Prevention must respond to disable the system while work is performed and again to restore that system. Since the passage of Nicole's Law which requires the owner of all residential properties to install and maintain carbon monoxide detectors, the workload of the Fire Department has increased significantly. The Department has responded to many carbon monoxide detector activations some of which resulted in the detection of substantial amounts of the deadly invisible and odorless gas inside residences.

In-service inspections are conducted throughout town by on duty firefighters. Fire Prevention follows up on these inspections if any code violations are found.

Hydrant testing is also conducted by on duty firefighters. Fire Prevention notifies the DPW if hydrants are inoperable and maintains records regarding hydrant testing, problems and repairs.

Fire Prevention hosted the annual Fire Department open house. This year's theme was "HAVE TWO WAYS OUT". This is a family event and was well attended. Papa Gino's is the main sponsor. Other sponsors included Stop and Shop, Friendly's, The Home Depot and Paolini Associates. The event was staffed by members and friends of the Fire Department as well as students from Saugus High.

FIRE INVESTIGATION UNIT

The Fire Investigation Unit (FIU) is responsible for investigating the cause and circumstances of any fire or explosion within the Town of Saugus in order to determine if such fire or explosion was caused by carelessness or design. Investigation shall begin forthwith after such fire or explosion per Massachusetts General Law, Chapter 148, Section 2. The FIU reports directly to the Chief of the Department.

There are currently two members of the department assigned to the FIU, Captains Newbury and Kaminski. These duties are in addition to their regular assigned duties. Both Captains have completed an intensive two week course certifying them in Basic Fire Investigation at the Massachusetts Fire Academy .

The crime of arson is a difficult charge to prove, therefore, investigations are a slow and deliberate process that requires many hours of preparation. Investigations are often conducted in conjunction with the State Fire Marshall's office. Documentation, evidence collection, witness statements, interviews , interrogation and multiple days of court proceedings are necessary for a favorable outcome which protects the citizens of Saugus.

EVENTS

In addition to hosting the Fire Department open house, the Fire Department also participated in the following town events:

Saugus High School Shadow Day, opening day parades for both the National and American Little Leagues, Memorial Day service and parade, Veteran's Day observances and parade and the Christmas Eve parade.

TOWN OF SAUGUS BOARD OF HEALTH ANNUAL REPORT

JULY 1, 2011 – JUNE 30, 2012

Board of Health

The Board of Health consists of five appointed members of the community who establish health policies for the Town and provide guidance to the Health Department staff.

Board of Health Members:

- Joseph Vinard, Chairperson
- Pamela Harris
- Stephen Rappa
- Frank Woods
- Joia Cicolini

Director of Public Health:

- Frank P. Giacalone, R.S.

Clerk of the Board:

- Charlene Berridge

Massachusetts General Law, Chapter III, Section 3 1, provides for the Board of Health to make reasonable regulations. In addition, the Board of Health also conducts hearings as dictated by State Regulation and act on variance requests where allowed by law. The Board generally meets on the first Monday of every month.

Board of Health Structure

The Town of Saugus Board of Health consists of a 5 Member appointed Board who implement programs mandated by State Law and local regulations and ordinances. Staffing consists of the Director of Public Health who works a minimum of 36.5 hours per week, plus additional hours as needed for emergency response; a full-time Administrative assistant; two part time contracted and one part time food service inspector; and three part time animal inspectors. Contracted food inspectors are hired as independent contractors and not utilized from Town Of Saugus payroll. The contracted services are needed to meet the mandate of conducting regular food inspections of the 215 licensed food establishments in Saugus. The Administrative Assistant duties are shared with Inspectional services. The duties of the administrative assistant involve processing paperwork for the Electrical and Plumbing Inspectors, issues Burial Permits, set up of money deposits, issue recycling/solid waste stickers, processes all Health Department license applications and fees, works on special projects under the supervision of the Health Director, and services the public via phone and in-person.

Charlene Berridge	Administrative Assistant	781-231-4115
Louise Bucchiere, RN	Public Health Nurse	781-233-5504

Role of the Board of Health

The Board of Health's primary role is protecting and preserving the public health of the community as a whole, through enforcement, policy development, and education. The Board of Health is responsible for enforcing numerous State Sanitary and Environmental Codes as mandated by law. Inspections are conducted to determine compliance with said codes. In addition to the mandated state regulations, the Director of Public Health is responsible for the enforcement of local regulations.

Permits and Inspections

The Board of Health provides routine inspections, as staff time allows, on numerous licensed establishments in Saugus. State regulations establish standards for the construction, sanitation and operation of numerous types of businesses. Additional local regulations govern the same in other type of facilities. The Board of Health currently licenses and inspects the following:

Public Health Nursing

The Board of Health provides the citizens of Saugus with public health nursing services. The part-time public health nurse office is located at 2 Rice Street. Some of the services provided included Blood pressure screenings, Flu shot clinics, Vaccinations, food borne illness investigations, Hepatitis and TB control measures which include shot administration, follow up, and State required communicable disease reporting.

Medical: Electronic Laboratory Reporting

MAVEN: The Board of Health has implemented the new Massachusetts Virtual Epidemiologic Network (MAVEN) system to comply with the new revisions to the *Reportable Diseases, Surveillance and Isolation and Quarantine Requirements* (105 CMR 300.000) which became effective on July 8, 2011. DPH's Electronic laboratory Reporting, ELR, system uses a unique, centralized data collection approach to help local Boards of Health, health departments and hospitals to efficiently meet disease reporting requirements. When infectious disease information arrives at DPH, it comes via a secure web-based portal, is quality assured, and transmitted to an integrated, web-based disease

surveillance and case management system known as the Massachusetts Virtual Epidemiologic Network (MAVEN). The DPH model is one of the first in the country to be both certified and operational for ELR.

MA PHIT Food inspector training program

Health Director, Frank Giacalone, was chosen to chair a committee to develop a field training component for the Massachusetts Public Health Inspector Training (MA PHIT) program. This program will be recognized by the MDPH Food protection program as the recognized training program for food inspectors as required in the Federal and State food code.

Member Open Space Committee

Chosen as a member of a group to update the 2005 – 2010 Open Space Recreational plan. Committee members included individuals from Saugus Watershed Council, Conservation Commission, Department of Public Works, Planning Committee, Youth and Recreation, Solid waste and Recycling and the Board of Health.

Vice President: Massachusetts Health Officers Association (MHOA)

Health Director (Frank P. Giacalone, R.S.) has been elected as Vice President and a member of the Executive Committee for the Massachusetts Health Officers Association (MHOA), an organization with over 600 members. One of the duties for the VP included organizing the annual MHOA conference in Springfield. Over 350 attendees were present, over 30 vendors and four track sessions (which included Food protection, Public Health, Waste water – Title V and Emergency Preparedness), were organized. Members include boards of Health, academia and professionals in the health and environmental services throughout the Commonwealth of Massachusetts. The organization sponsors trainings in the environmental and health fields, Title V, emergency preparedness, bed bugs, housing issues and other aspects of public health. MHOA is a strong advocacy group to promote public health awareness.

Sharps Disposal Kiosk

The Board of Health in coordination with the Solid waste/Recycling department has set up a collection kiosk at the Town hall for the disposal of syringes. Syringes are a hazardous material that the state will be mandating to be eliminated from house hold waste.

Syringes must be disposed of in a sealed rigid container. More information can be obtained by visiting town hall. INDIVIDUAL SYRINGES will not be accepted.

Flu Clinics

Annual flu vaccinations were administered to Saugus residents. There was a decline in the number of residents who received flu vaccine this year in comparison to last year. The Saugus Senior Center was used for this year's annual flu clinic. Additional clinics were held at the following locations:

- Saugus Town Hall Auditorium (evening clinic)
- Public Safety Building (first responders (Police & Fire))
- Heritage heights
- Laurel Towers

Flu shots are available at the nurses office located at 2 Rice Street. Office hours are usually on Thursday. Appointments for flu shots can be made by calling the nurse at (781) 233-5504.

Annual Household Hazardous Waste Day

A bi-annual collection was held that allowed residents to dispose of their household hazardous waste in a convenient and environmentally responsible manner. Tires, Computers monitors, TVs, batteries, propane tanks and paints and other liquids were collected and removed from the municipal waste stream.

Prescription Drug Take-back: Our household hazardous day event featured a prescription drug take-back program. This allowed residents of Saugus to safely dispose any expired or non-used medications that have traditionally been flushed down the home drain pipes or thrown in the household waste. This program was sponsored by the Saugus Police Department and coordinated with the solid waste/Recycling department.

Founders Day Display

The Board of Health distributed educational materials on Sun Safety, rubbish & recycling, and free individual sharp containers to promote the free syringe disposal kiosk to the public. All food vendor booths were inspected to ensure proper food handling techniques and compliance with the Federal and State food code.

Emergency Preparedness: Emergency Dispensing Site (EDS)

The Board of Health has developed a plan to utilize the high school as a dispensing site in case of an emergency. This EDS site will be staffed by volunteers to distribute medications or vaccinations for the residents of the Town of Saugus. The following drills and exercises were conducted:

- Plan updated with current contact information.
- EDS site set-up call down drill.
- EDS staff call-down drill.
- 24/7 Contact drill.

A drill exercise was conducted during the annual flu clinic at the Saugus Senior Center. The drill focused on mass vaccination of Saugus residents in case of an event that would warrant this activity. The exercise involved a notification drill, staff call down drill and site set-up. The set-up and call drills showed that our response and set-up times were completed at a very good rate.

The number of vaccinations administered this year was approximately 350, which is less than last year. Originally the State Department of Public Health restricted State supplied vaccine to those individuals who are un-insured or under insured. The town approved \$2,000 to purchase vaccine so that a public clinic could be held. The Town was

reimbursed \$5,871 from billing Medicare and other insurance carriers for the cost of the vaccine and administration fees.

School News

The Board of Health is still receiving pest control inspection reports of the Waybright School. No activity or issues have been noted. Lead was found to be slightly over the threshold for a water bubbler at the Waybright. Bubble was shut off; water was retested with passing results. A daily flushing program has been implemented.

The Board of Health conducted 2 inspections for each school cafeteria under the State and Federal Food Code. Proper food handling was being conducted and no major violations were noted.

Policy Development and Education

Bioterrorism/Emergency Preparedness

North Shore Cape Ann Emergency Preparedness Coalition (NSCAEPC): Saugus is a member of The North Shore Cape Ann Emergency Preparedness Coalition which was established in 2004. The NSCAEPC is comprised of the Boards of Health and Health Departments from the following fifteen (15) communities Saugus, Lynn, Nahant, Peabody, Danvers, Salem, Marblehead, Beverly, Swampscott, Hamilton, Wenham, Gloucester, Rockport, Manchester-by-the-Sea and Essex.

The purpose of the North Shore - Cape Ann Emergency Preparedness Coalition is to:

- enhance the communities' collective capacity to share resources
- respond to public health threats and emergencies, which includes terrorism and outbreaks of infectious diseases

The NSCAEPC receives funds from the Center of Disease control. Funds are allocated to each community and used for purchasing of emergency preparedness equipment and services. Purchases have included cell phones, portable computers and printers, medical supplies storage cabinets. All purchases are approved from an Approved goods/service list issued by the CDC.

A website has been created, www.nscalert.org. The website provides valuable resources to residents within these communities, including links to local, state and federal websites, a place for potential medical and non-medical professionals to obtain information that will enable them to volunteer their services in the event of an infectious disease or bioterrorism emergency, and information regarding emergency preparedness trainings and seminars. This website is also protected by the Secure Socket Layer (SSL) system, which is used to enable secure, encrypted transactions to take place over the Internet.

Tobacco Control Program

North Shore/Cape Ann Tobacco Control Program

Saugus FY12 Annual Report

In accordance with the FY12 North Shore/Cape Ann Tobacco Alcohol Policy Program grant requirements, compliance checks were conducted and the outcomes of these checks were as follows:

Date	No. of Establishments Checked	Compliance Achieved
1/24/2012	33 establishment were checked	94% rate was achieved

Violations occurred in the following establishments:

Establishment	Address	Amount	Offense
Jiffy Mart	4 Howard Street	\$ 100.00	1 st
Hess	1252 Broadway	\$ 100.00	1 st

In addition to the compliance checks, the North Shore/Cape Ann Tobacco Alcohol Policy Program conducted one inspection at each permitted establishment.

Also, a new Tobacco Nicotine Regulation was enacted in September and three post enactment visits at each permitted establishment was conducted to provide instructions and information to insure compliance with the newly enacted regulation.

FY 12 Annual Report

The Saugus Public Library is proud to serve as a cultural resource for the residents of the Town of Saugus. All of our collections, which include books, videos, reference materials, databases, music and more, are a direct reflection of the educational and recreational information needs of the community. The professional library staff works to ensure that our material selections are appropriate and timely and based on those needs. In addition, the library schedules programming throughout the year for all ages. For children there are story hours, crafts, visiting musicians and/or other family entertainment. Adults are welcomed to events that feature local authors or historians of interest, or perhaps teach a new skill.

During FY12 the Saugus Public Library spent \$493,648 of its town appropriation in the following ways. \$380,699 paid salaries for the Library Director, four full-time professional librarians, two part-time professional librarians, two part-time library associates and four part-time library assistants. \$121,051 was spent to purchase new books and other materials for the public, supplies to process those materials, our Noble Library Network fees and general office supplies.

The number of items that a library circulates is a good indication of how satisfied people are with what they find at the library. During FY12 library patrons checked-out 85,328 items. This is an increase of 22,662 over last year. Of those, 47,838 were adult items and 37,490 were children's items. Books are still a much favored format since 64,255 of the checked-out items were books. The book category includes books for all ages, large-print books, and paperbacks. 13,967 VHS and DVDs were taken home by patrons and the remaining items were either books on CD, CDs, magazines, museum passes or downloadable formats.

Inventory at the end of FY12 shows that the Saugus Public Library has almost 95,000 individual items in its collections. This includes more than 78,000 books, 4300 videos (VHS & DVD), 2040 audios (books on CD, CDs & cassettes) as well as 4000

periodicals, 4000 ebooks and 1900 downloadable books. Of course, this is only a portion of what's actually available to Saugus residents. Because the library's budget appropriation from the town allowed us to be certified by the Massachusetts Board of Library Commissioners the library is entitled to membership in the Noble Library Network. This allows us to access more than 3 million additional items from 28 other libraries in the area. Furthermore, should a resident need something that's not within Noble, we also have access to most materials at any library in the Commonwealth of Massachusetts. Stop by the Reference desk to find out what we can do for you.

During FY12 the library, as part of the Noble Network, transitioned to new open-source software to run our catalogs. This should prove to be more efficient and flexible, and less expensive over time, as well as much more user-friendly for everyone. The staff have become very proficient in its use and are happy to work with any patrons who might need assistance with their at-home access.

FY12 saw some changes within the Board of Library Trustees. A temporary Board was in place for a portion of the year and consisted of Wendy Hatch, Paul Allan and Joanne Gayron. Thank you for your support of the library during this transition. During the second half of FY12, the Board of Library Trustees consisted of Saugus residents Paul Allan, Matthew Canterbury III and Gail Murray.

Please know that the public is always invited to make suggestions about anything that the library does. We welcome ideas for programming or book selections and appreciate your thoughts on how the library is doing. Please come by to learn more about what we have to offer, or simply to read the newspaper.

PURCHASING DEPARTMENT
FY12 ANNUAL REPORT JULY 1, 2011 – JUNE 30, 2012

The Purchasing Department is responsible for the preparation of all outgoing bids; proposals; and quote specifications and to review all those submitted to the Town. Determine eligibility of vendors and contractors; prepare contracts for those to be awarded. In addition, assist Department Heads to assure that expenditures of Town funds for construction projects; the purchase of materials; equipment and services are in conformance with applicable Federal, State, and Local laws.

My position is to assist town operating departments with the contracting of services and products. My job involves clarifying and defining requirements for goods and services, implementing cost effective procurement, and ensuring that all contractors hired by the Town comply with all applicable local and state laws. I make sure that all departments procure materials, supplies, equipment, or services at the lowest possible cost consistent with the quality necessary for the proper operation of the various departments, thereby attaining the maximum value for each public dollar spent.

All purchase orders are reviewed by the Purchasing Department for compliance to all statutory and Town requirements before they are fully processed. Purchase orders are required by all departments for purchases over \$500.00.

As the Purchasing Assistant, I participated in several professional development seminars held by the Massachusetts Association of Public Purchasing Officials (MAPPO) throughout the year. I am in the process of applying for re-certification for becoming a Massachusetts Certified Public Purchasing Officer.

Throughout the year of 2011-2012, the Town had many projects and procurements processed by using the bidding or proposal methods. Some items were also solicited by quotes and other purchases were made using the State bid list. The bid numbering starts from July 1, 2011 and runs through June 30, 2012. The major projects are listed below:

Michele Wendell - Purchasing Assistant

SOLID WASTE/RECYCLING DEPARTMENT
ANNUAL REPORT FY'12

This Department oversees daily operations of the solid waste and recycling collection. A lot of time is spent daily to find resolutions to any and all calls/complaints. Education on the proper disposal of items and compliance with all state regulations is another daily function. The daily curbside routes are monitored for enforcement of limitations, wastebans, and stickered items. For Fiscal Year 2012, the rubbish tonnage was 7980.42 and the recycling tonnage was 2026.56

Activities of the Solid Waste/Recycling Department:

- Operated a drop-off site where Saugus residents can properly recycle televisions and computers. This program has been extremely successful and the Town has recycled over 1900 units this season also, we offer disposal of curbside recyclable items at this site for residents living in Apartments or Condos that do not curbside collection.
- Coordinate and manage Fluorescent Bulb recycling Programs in all municipal/school buildings.
- Held two bi-annual household hazardous waste day events, which allowed residents to properly dispose of hazardous materials such as paint, tires, chemicals, poisons, vehicle batteries, and propane tanks. Saugus Police Department now sets up a table at our HHW events for proper prescription disposal for residents with left over medications.
- Mercury thermometer exchange program was expanded to include all mercury bearing items. New state and federal regulations now prohibit disposal of any mercury bearing items at incinerators.
- Set-up and monitored four curbside leaf collections.
- Oversaw a recycling bin replacement program, compost bin program, sticker program for HHW, bulk items, white goods and compost site. Tracked and delivered stickers to outside vendors.
- Applied for grants. Received grants for equipment and education.
- Responded to illegal dumping issues, dumpster complaints, and property that need to be cleaned up.

- The Town of Saugus now has a sharps kiosk located in the lower level of Town Hall for proper disposal of needles. Residents can access kiosk anytime Town Hall is open.
- Police Station now has a kiosk located in the public safety building lobby for the proper disposal of prescription medicines.
- Met compliance of the DEP, filed data sheet information required to allow us to continue to apply for their grants.
- Worked with the schools on expanding school recycling programs and education.
- Attended several meetings, conferences and seminars.

Inspections and Investigations:

Illegal Dumping	35
Recycling Complaints	249
Dumpster Inspections	177
Yard Complaints	25
Trash Complaints	401

Saugus Retirement Board

The Saugus Contributory Retirement Board respectfully submits its report for the year ending December 31, 2012.

The Saugus Retirement System (System) administers the defined benefit plan for the Saugus Housing Authority and most Town of Saugus employees, with the exception of teachers and school administrators whose program is administered by the MA Teacher's Retirement Board. The defined benefit plan, governed by Massachusetts General Laws Chapter 32, provides retirement, disability, survivor, and death benefits to members and their beneficiaries. The Division of Public Employee Retirement Administration (PERAC) oversees all 106-retirement systems.

The System has a five member Board who is responsible for ensuring that the System is operating in compliance with the M.G.L. Chapter 32. Eugene Decareau, Saugus resident and former General Manager of Eastern Tool serves on the Board pursuant to an appointment by the Board of Selectman. The Town Accountant serves as the ex-officio member as required by the M.G.L. Chapter 32. Saugus Firefighters William E. Cross, III and Mark Gannon serve as the elected members to the Board. Doreen DiBari, a Certified Financial Planner and Certified Trust Financial Advisor, who is a Senior Vice President of Eastern Wealth Management for Eastern Bank, was chosen by the four Board members to serve as the fifth member. William E. Cross, III serves as the Chairperson of the Board. The Retirement Board members meet monthly on the last Tuesday of each month.

In addition to the monthly Board meetings, members attend seminars, conferences and other retirement meetings, so that they can be current on all legislative changes which will affect its retirees and members. Pension Reform mandates that retirement Board Members complete training during each year of service on the retirement board. During each member's term on the retirement board, the member must complete 18 hours of training. Another mandate is the completion of a yearly Statement of Financial interest for each Board Member and members of their household.

The System is funded through members' deductions, investments and an annual appropriation from the Town and Housing Authority. The Board adopted an actuarial funding schedule to ensure the financial stability of the retirement system. According to the most recent actuarial report, as of January 1, 2011 the system was 67.8% funded.

As of December 31, 2012, there were 662 members, 337 active members, 276 retired members or their beneficiaries and 49 inactive members. During 2012 the Board voted to grant 16 superannuation retirement allowances and 1 Survivor Benefit. There was no Accidental or Ordinary Disability Retirements. The Board did approve 8 refunds and 6 transfers of member accounts.

In 2012 the Retirement Board voted to grant a 3% Cost of Living to eligible retirees, calculated on their allowance up to \$12,000, a maximum of \$360.00 annually. Many of the retirees do not receive \$12,000 per year and they received less than the maximum \$360.00. This became effective July 1, 2012.

The Retirement Board staff is responsible for all financial transactions, reporting of investment activity, comprehensive pre and post retirement counseling to employees and their families regarding their rights and benefits, issuing monthly pension payments to retirees and/or their survivors, and other required governing reporting.

The Saugus Retirement Pension Funds are part of the Pension Reserve Investment Trust (PRIT). For the calendar year, ending December 31, 2012 the PRIT Core Fund returned 13.88%, with a return of 9.50% since inception on 1/31/85.

The Trust's investment policy is conservative and they continue to be a prudent and appropriate choice for governmental units within the Commonwealth.

Saugus Community TV Board of Directors Annual Report 2011-2012
Saugus Cable Television Station

On January 17, 2011 I was elected President, Debra Panetta, Treasurer; Peter Rossetti Vice-President; and Nate Marcella Secretary, Michael Downing, and Nancy Lemoine Directors.

One of the first actions taken under the new board was to do a Request for Proposal to conduct an outside audit, a requirement under the Agreement between the Town of Saugus and Comcast.

On a motion by Debra Panetta, and approved by the Board, Powers and Sullivan was engaged to perform the first audit. Due to the fact that an outside audit was never performed the cost almost doubled.

The Board of Directors honored a previous vote and approved the distributions of three \$1,000.00 scholarships to graduating seniors. This project was under the direction of Nancy Lemoine.

In March of 2011, The Board of Directors also voted to televise the following public meetings:

Board of Health, Planning Board, Library Board of Trustees, Conservation Commission and Board of Appeals.

On December 13, 2011 the Board of Directors sent a letter of request to the Saugus Board of Selectmen asking for renewal of the Agreement between the Board of Selectmen and Comcast.

Whereas the Saugus Board of Selectmen voted not to renew the Contract between the Town of Saugus and Comcast, discussion began regarding the transition process to be followed by the newly formed SCTS Board and the former Saugus Community TV Board.

The SCTV board voted 5-0 to accept the SCTV Mandatory Bylaw Policy in full which was previously voted 5-0 by the Saugus Board of Selectmen effective August 1, 2012. On July 18, 2012, the Saugus Board of Selectmen voted 5-0 to appoint the following to the Saugus Community Television Station Chris Peatridge, James Ravagno, Gini Pariseau, Janice Jarosz, and David Cottam.

Mr. Ravagno made a motion to engage the services of Attorney Ira Zelsnick regarding the dissolution of the present SCTV account and to develop the process of transferring the assets from a 501 c 3 non-profit account to a segregated account to be held by the Town of Saugus. The motion passed 4-0.

Presently the Board of Directors has requested an inventory be prepared listing dates, serial numbers and age of equipment, accounts to be transferred and a payroll set up and the process of transferring SCTV to SCTS is ongoing.

Honorable Chairman Serino, Honorable Selectmen, Town Manager Scott Crabtree and Wendy Reed, Clerk:

According to the SCTV (Saugus Community Television, Inc.'s) agreement with the Town of Saugus, we are presenting SCTV's Annual Report, through July 31, 2013, to you. Of five mandated requirements from the former station (SCTV- Saugus Community Television, a 501C-3 non-profit), now known as Saugus Cable Television Station (SCTS- a Town Entity), we will address the following:

1. Summary of Programming and Services provided
2. List of Future Goals
3. *Current listing of Board of Directors*
4. Inventory of all equipment
5. *Independent Audit by CPA (Provided by the new SCTS Board of Directors)*

**** *Items in Red supplied by current Board of SCTS*

PROGRAMMING:

Originally during 2007, SCTV consisted of 2 channels: Channel 8 Public and Channel 10, the Educational Channel. Government meetings were broadcast along with Public broadcasts and Bulletins on Channel 8. Channel 10 consisted of some educational programming along with sports and school(s) related bulletin boards.

From 2008 – 2011 we worked diligently, proving to Comcast that we were capable of providing content for one more station in Saugus, the Government Channel. This Government Channel would allow us to put all existing and future Government programming on one specific channel, the Government Channel.

We went live during the August-September period of 2011, with SCTV's Government Channel. It has been an unqualified success with local, regional and national programming content. Although the transition went smoothly it took us at least 3 years to get to that point. We had to technically upgrade equipment,

both capture and broadcast. We had to prove to Comcast that we could fulfill their provider requirements. And we had to placate the concerns of government meeting members that videotaping would be discrete, professional, and courteous. With an introductory letter by then President of the SCTV Board of Directors, Janice Jarosz, to a variety of non-mandated government entities, we were able to begin a period of rapid growth and expansion concerning all types of non-mandated government meetings. To this end we now provide at least 10 or more monthly meetings of content for the government channel. Our Government channel is literally full with local programming. The community expects to see meetings that are broadcast live, mandated meetings which are:

Board of Selectmen
Town Meeting
School Committee
Special Town Meetings
(LIVE) Fincom Budget Hearings

These meetings are also replayed and accessible by computer on Vimeo, a video broadcast medium. All of our other non-mandated meetings are also placed on the Vimeo video server for viewing access by Saugus community members or anyone that has an interest.

In addition to the mandated meetings we have the following-non mandated meetings:

1. Board of Selectmen Conference Room
2. FinCom
3. Board of Appeals
4. Board of Health
5. Planning Board
6. Affordable Housing
7. MWRA Meetings
8. Library Board of Trustees
9. SCTS Board of Directors
10. Other groups when available (Conservation, Charter, etc.)

Please see the documentation immediately following this brief summary for a more complete view of what programming is currently available for all our stations: Channel 8- Public, Channel 9-Government, and Channel 22 – Educational.

SERVICES PROVIDED:

As many Presenters and Saugus Townspeople have found prior to presenting, SCTS is also a professional provider of Audio Visual support services: from Powerpoint presentation staging, to large screen projection for

large audience viewing, to image magnification, (IMAG), for large screen applications and larger viewing audiences, like in the Town Hall Auditorium. We continue to service and assist with a variety of Audio Visual support services.

From a cost analysis point of view, an operator setting up staging, operation of program equipment and breakdown of set, is at least \$25 per hour, not counting equipment rental and shipping and delivery. Minimum costs would be 4 hours at \$25.

Every meeting, mandated or not has the same requirements. So, out of say 10 Government meetings per month, add an additional 5 that are bi-monthly for a total of 15 meetings. 15 meetings (average) times 4 hours, excluding editing, uploading to Vimeo, ingesting for broadcast over the station, we have 60 hours times \$25.00, for operation only, totaling \$1,500 per month, \$18K per year alone for Government meetings and operation.

We currently produce, on an ongoing basis, several in- house programs. Most of the programs are videotaped in our Broadcast quality production studio, located in the Saugus High School. We do some location recording on a couple of our shows, like, "Saugus-Our Town": An informative look at what's happening in Town, and, "In the Know"-A show that talks to people about their businesses and what they do.

We put in over 100 production hours just for producing one series (all the shows, 1 time) of all this material. Some of the shows are done weekly, some bi-monthly, some quarterly...it takes a lot of effort and time to maintain a series. Producing good programs is an involved process that has many facets. This includes things like, site surveys and client meetings prior to shooting, setting up equipment, the shoot itself and breaking down the equipment, editing, and release for distribution and programming.

Basically, Pre-production, Production, and Post production. All of these "production" hours, involve many aspects and skill requirements of our very competent staff. If charging for a "Day Rate" per production day, costs would be:

1. Producer- \$500 day
2. Assistant Producer \$250 day
3. Studio \$350 day
4. Editing \$400 day

From a production only point of view, incurred costs per day would be \$1500 per day, per 100 hours of production work would equal over \$150K. That's right- \$150,000. Every 100 hours. We do much more than that. Your SCTS staff is multi-talented, professional, responsible, and conscientious. We all multitask and are constantly updating our skills to better assist the community, in production values and the training of others within our community.

Special Events:

Special events encompass all the projects that aren't mandated or studio productions. Here's a partial list of events that we did this year and will continue to do in the New Year.:

1. Saugus Police Department:
 - Police Academy: Documenting behind the scenes real police work and training for the general public.
 - Target's National Night Out
 - K-9 Safety Program
2. Saugus Fire Department:
 - Community Day
 - Firefighter's Memorial
 - MA State Firefighter's Awards Ceremony
3. Church events:
 - Blessed Sacrament, Christmas Chorus, Father Dan
 - Grace Ministries, Weekly program with Pastor Rick
 - Community Prayer Day, Pastor Bob
 - New Hope Assembly of God, Pastor Wayne, ongoing weekly programming
4. Town Events:
 - Founder's Day
 - Agganis Special Olympics
 - Christmas Tree Lighting
 - Memorial Day Parade
 - Veteran's Day Parade
5. Community Outreach:
 - SCTS will soon be implementing a new introductory series of workshop with the goal of increasing membership and training people on the How To's of Video Production, so that they too will have the opportunity to broadcast their video content to the Saugus community.
6. Saugus Library: We have implemented a support program with them and their internal programs for children in the community. We have produced several programs for them from Steven Rich's Artist series to Authors who have written about Breakheart to Kids with Tinkertoys. The Saugus Library is an ongoing idea Video generator for the Saugus Cable Television Station and community.

7. Saugus Business Education Collaborative: We support the collaborative and their "Taste for Education" and a new endeavor "Trivia Travaganza" from staging through recording and broadcasting over SCTS.
8. Sports Programming: We are striving and having greater success with new SHS sports programming. We are now taping, editing and broadcasting, Football, Basketball (Boys & Girls), Field Hockey, Soccer, Hockey, even Wrestling. We put this programming up on both Channel 22, the Educational Channel.
9. Public Service Announcements: We also produce and air programs like the Lynn Economic Opportunity assistance program, re: low income heating assistance. Homeowners Assistance in buying a Foreclosure from the Town, with Janet Lucey How to use the new Voting machines with talent Joanne Rappa, our Town Clerk. And whatever other programs arise.
10. NEW PROGRAMMING: We have many new programs we wish to implement during the new year, 2013. Please see the attached addendum following.
11. WEB SITE, we wish to continue to upgrade our site and social media with current programming, updates, and information pertinent to the community.
12. VIMEO- a video distribution medium that has proved invaluable and allowed us to put all current Government, Public, and Educational programming up and made available to ALL the viewing public, where ever they may be, at their leisure.

GOALS AND DEVELOPMENTS:

1. Training- increase opportunities for interested community members to receive training for field Video production and ultimately studio use.
2. Staffing: while current staffing is acceptable for existing production and broadcast schedules, it would be advantageous to finalize benefits which should be addressed in the Policies and Procedures of Saugus Cable Television Station.
3. Underwriting: Develop a coherent program for sponsorship of programming
4. Continue upgrading our existing website to be more user friendly and socially active.
5. Community Outreach: develop and implement additional program(s) for enabling more community members the opportunity of working with SCTS.

6. Streaming Video-institute a study, a needs based assessment, regarding the feasibility, necessity of incorporating Video Streaming, Live or canned into the SCTS Broadcast structure.

FUTURE PROJECTS:

Four primary projects which would help the Town of Saugus have been researched up to Stage II for RFQ's (Request for Quotes). The projects are (not in any priority or particular order):

1. Audio upgrade in the Town Hall Auditorium-New amplification, mixing, and speaker array for ease of audience hearing. Broadcast distribution also.
2. Library remote 3 camera studio set-up in Community Room for seminars, meetings and what not.
3. Police/Fire station single station set-up for Emergency Broadcast and notification.
4. Replacement of existing Analog I-NET system with modern up to date Fiber Optics
Links for Town Hall, School Administration Building, Police/Fire Department, and the Library Community Room. This in turn can be a stand-alone or tie-in within existing systems.
5. Studio and Field camera upgrades, along with some new Programming software updates to maintain the integrity and quality of services we offer to the community.

This concludes our SCTV/SCTS overview with updates on where we are presently and where we would like to be in the future. We have a strong creative, technical, and responsible workforce with a robust broadcast infrastructure. As always we are open to suggestions on how we may better service the Saugus Community. So, please keep watching Saugus Cable Television on Channels 8 (Public) Channel 9 (Government) and Channel 22 (Educational), we appreciate your support. Thank you.

Sincerely,

Rich Garabedian, Operations Manager

Saugus Board of Selectmen
Annual Report
July 1, 2011 – June 30, 2012

The Saugus Board of Selectmen: Chairman Donald Wong, Scott Crabtree, Stephen Horlick, Michael Kelleher and Michael Serino served in office until the November 9, 2011 election. Stephen Castinetti, Scott Crabtree, Stephen Horlick, Debra Panetta and Michael Serino were sworn in and Mr. Crabtree was elected Chairman and Michael Serino was elected Vice Chairman. Mr. Crabtree resigned from his position February 16, 2012 and Julie Mitchell was sworn into office. At the reorganization meeting held on February 21, the Board elected Michael Serino Chairman and Stephen Castinetti as Vice Chairman.

The Board of Selectmen held 33 public meetings in FY 2012.

The Saugus Board of Selectmen, as Licensing Authority, renewed 24 All Alcoholic Common Victualer's; 6 Retail Package Store All Alcoholic; 6 Beer & Wine Common Victualer's; 2 Cordials & Liqueurs Permits; 7 Club All Alcoholic; and 1 Seasonal Beer & Wine License.

The Board also renewed 1 Class I, 20 Class II and 3 Class III auto dealer's licenses; 8 valuable goods; 10 taxi cabs; 96 Common Victualer's licenses; and approved renewal of 85 coin operated devices; 5 juke boxes; 2 skating rinks, 48 entertainment licenses; 1 fortune teller; 2 transient vendors; 1 function hall; and 24 Extended Hours of Operation Permits.

New Licenses issued included: 1 new auto dealer; 2 coin operated devices; 6 Entertainment; 15 Extended Hours of Operation Permits; 2 juke box; 11 taxi cabs; 1 new transient vendor; 1 Valuable / Used Goods; and 13 Common Victualer's Licenses.

The Board held show cause hearings on establishments that were more than twelve months in arrears on municipal taxes and fees; and on LAVO, 114 Broadway; Avedisian, 60 Salem Turnpike; and Twitters, 1201 Broadway for alleged violations.

The Board approved Special Permits (S-2) including, contractor's yard, salons, massage therapy, self defense instruction; dog daycare; and approved a six month extension for quarry operations at Aggregate Industries a/k/a Bardon Trimount. The Board granted modification of existing S-2 Permits: for used car lot; additional 2 horses at a stable; drive through windows; and upgrades to antenna locations.

The Board approved utility pole and conduit locations for telephone and electric companies; set the residential & commercial tax rates; amended the Traffic Rules & Regulations upon several requests; and met to discuss amending the Town's Liquor Rules & Regulations.

The Board, sitting as Sewer Commissioners, continued work on the ACO. There were several meetings on updates on the progress of the redevelopment of the sewer & water systems. The illegal sump pump removal program continued.

The Board held interviews and made many appointments to various boards and commissions including Affordable Housing Trust Board of Trustees, Zoning Board of Appeals, SCTV PEG Board of Directors, Canine Officer, Cemetery Commission, Cultural Council, Library Board of Trustees, Board of Registrars, and Veterans Graves Officer. The Board also reappointed constables, sworn weighers, Traffic Hearings

Officer, and poll workers. The MSBA Belmonte Middle School Building Committee continued to meet on the BMS renovation project.

The Board dealt with many resident/citizen issues including traffic; & parking on a variety of streets in Saugus; continued to monitor the Hamilton St. reconstruction project; held several meetings to resolve issues that arose with the trash/recycling policy implemented August 1st; held several meetings for public input regarding Saugus Community Television and voted not to renew the agreement in its current form; held several public forums on the Bike to the Sea Project and signed a lease agreement with MBTA to create a “Northern Strand Community Trail” along the Saugus Branch Rail Line with work to begin in the fall of 2012; and worked on environmental project for the Wheelabrator DEP settlement money awarded to the Town of Saugus under a judgment order for alleged violations.

Town Manager Andrew Bisignani retired from his position in January, 2012. Town Counsel was appointed Temporary Town Manager and a transitional team was established. The transitional team found accounting irregularities and inconsistencies and the Selectmen ordered an audit of the Town finances.

The Board ordered an investigation and forensic audit of the library finances. This led to charges filed against an employee; and the Board requested the Library Board of Trustees resign. The Board received 2 of the three audit reports publically and the third was presented in the next fiscal year. The Board and Town Manager worked on resolving the financial issues that came to light and continue to monitor it closely.

The Board held forums for citizen input on job description and attributes of a new Town Manager; advertised; held interviews and unanimously voted Scott Crabtree as Town Manager effective April 1, 2012.

The Selectmen recognized many employees and citizens with citations: Saugus Tree Committee for Saugus receiving Tree City USA; Ron Surabian on his 60th birthday; Pop Warner C-Team Cheerleaders on winning a Gold Medal at Nationals; Lynda Myers, Officer Naglieri and Capt. Nolan for efforts in a rescue; Madison Slane for raising money for canine safety vest; Julia Azzari for Girl Scout Bronze Medal; Ryan Clarke for assisting an injured neighbor; and Bob Davis for his dedication to support Special Olympics.

Saugus Youth & Recreation

I Report: Date Range - July 1, 2011 – June 30, 2012

Here is a breakdown of some, but not all, of the programs and activities that we have provided to the Town during the time period requested, July 1, 2011 to June 30, 2012. We continually run a successful Summer Parks Program, catering to Saugus Youth grades 1 – 12. This includes employing high-school aged students as counselors. The summer program is broken down by age group. Grades 1 – 5 are held at the Belmonte Middle School, participating in a more traditional summer camp setting. The activities ranged from arts & crafts, loosely structured sports activities, games, a field trip to Laser Tag, and other activities. Grades 6 – 8 are held at the High School, participating in a summer gym program, which is more sports orientated. High School students are employed as counselors for both age groups. We also employ Saugus residents at the college age, as well. The total participants, including staff, topped off at over 150 youth. We kept the cost for these programs extremely low to accommodate families in these difficult financial times.

Also during the summer of 2011, we continued to sponsor a successful Summer Track Program. This program accommodated over 75 Saugus youth of all ages. It also allowed for High School students to fulfill their community service hours, mandated by Saugus High School. We had a total of 25 High School students participate. This is in keeping with our philosophy of creating opportunities for older youth to act in a mentor capacity with the younger children in various settings. The Summer Track program concluded with Saugus youth participating in the Needham Summer Classic track competition. This competition hosted numerous surrounding communities.

We also assumed the responsibility of running Founder's Day for the second year. It needs to be known that this is an event that takes over seven additional months to plan and coordinate. The most work being done during the height of our summer programs. This department was responsible for planning and running this event. We did work with Donna Gould. In 2012, Founder's Day will be run solely by this Department. It also needs to be clarified, that we oversee the permitting of all the fields in town, dealing with numerous youth organizations and private individuals. We monitor all the

playgrounds in town, but have zero funding for the upkeep and maintenance of these playgrounds and fields. There is a small line item that is given to the Parks Department of the DPW. However, all calls come through this office, creating work which we have no ability to address. To address our outdated, unsafe playgrounds, I have personally worked with volunteers in cleaning, mulching, and fixing four playgrounds for the past two summers.

I am the main driving force behind trying to create a much needed mentoring and character development course. This is being done in collaboration with select personnel in the School Department. It is my hope that this elective will be implemented in the Saugus School System, starting at the High School level and working its way down through Middle School and Elementary levels. This, in my opinion, is going to be the most effective way to address a number of challenges plaguing our youth and families, such as; substance abuse, bullying, and poor decision making.

During the 2011-2012 school year, we continued a very successful program, Elementary Boredom Busters. This program was offered twice a week for students in grades 1 – 5. Over 37 children participated in this program.

In addition, during the 2011-2012 school year, we hosted an after-school program for Middle School Aged Students, held at the Recreation Center. This program lasted the entirety of the school year, and was highly successful. 15 students were given homework help, and had time to do fun activities with friends.

We are the home base for the basketball and wrestling programs offered to the Town. Town team basketball had 177 players. Boys travel basketball hosted 65 players, while we created a new girls travel team, which had 11 players. Wrestling had 36 participants. During February school vacation week, 2012, the Recreation Center was open for Elementary School drop-ins. Grades 1 – 5 were welcome to come in and play games, watch movies, do art projects, and have fun with friends. This was offered from 11am – 4pm, Tuesday – Friday, to provide a safe place to go during these weeks.

As the Department Head, I am listed as the ONLY resource for District Attorney Jonathan Blodgett's Diversion program. I work intensely with Saugus Youth referred to me from the Court Programs by the assistant District Attorneys. The Saugus Police Department and I have a great working relationship, where they involve me in proactive manners to help teens moving in the wrong direction. I, in turn, lean on them for much

needed resources. I facilitate their involvement in proactive programs in the School District. The internet safety course for kids and parents, and bullying seminars are just a few of the most recent collaborative efforts.

This Department's efforts in addressing the problems and challenges facing our youth and families, is at the forefront of the Town of Saugus in raising awareness, holding informational forums, and providing direct services. The cases are too numerous to mention, however, it is welcomed as a privilege and an honor to serve our residents in this capacity. With that being said, we look to our Town leaders to continue to keep our Youth as a priority. Although these financial times are difficult, this department head feels that for all we are involved in, and the diversity of direct services we provide, we are grossly underfunded. Even though we are underfunded for the services we provide, we continue to fulfill the Mission statements of both the Playground Commission and Youth Commission with a high degree of excellence. This is because I have an exceptional staff that shares the same commitment and passion for their community as I do. It is my hope that in the near future the leadership will not take advantage of our commitment and seek a proper budget that is reflective of the work we do. Let me be direct, an additional \$100,000 increase in our budget is a very small fraction of what our youth and families deserve.

We send out a newsletter bi-monthly with information about what we provide here as a department, in regards to the fun activities, and a calendar of upcoming and ongoing events. These newsletters are distributed through the schools, library, town hall and senior center.

Our website is updated on a daily basis to keep parents informed. This website has detailed information about every program we run here, as well as options to download flyers, newsletters and program registration forms. www.saugusyouthandrec.org

I think it is important to inform you that we have just absorbed numerous youth programs to assist the sports programs in our school district. The goal is to help keep student athletes in district. I work closely with the superintendent, athletic director and varsity coaches in this regard. Please note, that when the Police Athletic League was discontinued, due to inability to pay officers running it, we gladly took it over at the request of Paul Petkewich, a previous PAL parent volunteer. Paul, and his wife Lyn, give generously of their time towards running this program. When Paul first approached me,

I was upfront with him that I could give him all the resources of the department, but I would not be available to run this program directly. That did not deter him, and he is the official director of S.A.L. He and his wife Lyn provide direct services to at least 100 children per program.

Please note that due to budget cuts, our department lost two essential staff members. This department went from a staff of four (Director, Programs Coordinator, Assistant Programs Coordinator and Clerk), to a staff of two (Director, Programs Coordinator,). This happened between January 2012 and June of 2012. We have worked hard to compensate for the loss of these staff. In addition, programs and activities monies were also taken away from us.

These are the programs we have offered, in order, since June 2011.
